

# Visit us at Subcon 2016

---

PPS are exhibiting at Subcon 2016, at the NEC, on the 7th - 9th June and we would love to see you there.

You can [Register Here](#) and we are on Stand E22 with a variety of samples for you to take away.

Subcon is the UK's premier manufacturing supply chain show, dedicated to subcontracting and outsourced engineering services and with our extensive range of finishes on show there will plenty of opportunity to talk to the PPS Team about any additional requirements you may have.

We hope to see you there.
